MOSLEY'S METALLIC PENS.—The deservedly superiority of these Pens over all others, and long been acknowledged by the Public, and MOSLEY and Co., by continuously endeavoring to improve the quality of their manufacture, have at length brought their Pens to a state of perfection, which is only equalled, but not surpassed, by the original Pens, for the very limited number they have produced, and at the same time to obviate the difficulty of procuring their manufacture, they have manufactured a great variety of blands, being thus enabled to suit the hand-writing of all.

MOSLEY'S PENS are sold by all stationers, and other respectable pen dealers, throughout the Kingdom, and Wholesale at No. 4, Hanover-street, Hanover-square, London.

To guard against the many spurious imitations palmed upon the Public, every genuine Pen is stamped "RICHARD MOSLEY & Co. London," and it is requisite that purchasers should see that the name "MOSLEY" has been on the Pens, as the numerous imitations, bearing the same name, have been marked upon articles of a worthless description, the name being wrongly spelled, or the Christian name left out—"RICHARD MOSLEY & Co. London," is the only genuine stamp.

BENTLEY'S Patent PORCELAIN LETTERS, for shop fronts, hotels, warehouses, shippers, &c., are in great vogue, changing from the pale yellow, and by far the most durable and improving in the eight publicity, and by far the most durable of any yet introduced; it is a fact worthy of remark, that the Porcelain Letters that have been brought out within the last two years have been Bentley's, Innumerable Plates, both for and elevated Time and Sundials, Windows Plates, both for and elevated Time and Sundials, Windows Plates, both for and elevated Time and Sundials, Windows
